## What's New @ NLC?

Come one, come all and participate in our Chili Cook Off! Do you have what it takes?

New Life Church is proud to host our annual chili cook-off. This year's event will be Sunday, January 26th after service. The chili cook-off is a chance to showcase your culinary skills while participating in a friendly competition.

In the long run, this event really gives the members of New Life an opportunity to share a meal, a laugh or two all while gathering together. It's simple events like these that encourage long lasting friendships between adults and kids alike.

So take the opportunity to sign up at the Welcome Center and participate today!
